2022 Ananda Janaka Grants

Grants in support of the following areas of outreach for Ananda were given in 2022.

Ananda LA – Yogananda Fest, May 2022

The Ananda Los Angeles Yogananda Fest in May 2022 had for its theme “Rise in Soul Freedom,” and took place at the Torrance Cultural Arts Center in Torrance, California. This one-day Festival opened with Nayaswami Jyotish and Nayaswami Devi speaking on “Understanding the Chakras: Doorways to Freedom,” with a number of additional speakers who carried this theme of the chakras throughout the day.

Ananda Diversity Council – “Building Bridges to Understanding”

The Ananda Janaka Foundation gave a gift in support of the Ananda Diversity and Inclusion Council for their first program. The presenter was Elmer Dixon, speaking on Diversity, Inclusion, and Belonging, and was well attended by Ananda Village residents.

Conscious Families Program – A mini-retreat: “Nurturing Connection”

An in-person, half-day retreat for families including yoga, music, stories, art, and nature games for the whole family, and a separate parent workshop. This will better meet the current needs and interests of the families that are interested in introducing their children to yoga and meditation.
