News & Inspiration - What We Support

Ananda's 50th Anniversary and Temple of Light Dedication!

From June 30 to July 7, over 900 people came from all parts of the world to celebrate Ananda's 50 Year Anniversary and the Dedication of the new Temple of Light at Ananda Village. Through classes, workshops, and evening events we celebrated Ananda's sharing of the light of our Masters throughout the world.

Ananda Janaka Grants were made to both the 50th Celebrations and the Temple of Light.

Planned Giving Tips 2019

NoWill? No Problem - But here's what it means for your family, friends and the causes you support.

If you die without a will, *your assets will go to your closest relatives, but only according to state "intestate succession" laws.* It is no longer your choice and nothing will go to your favorite charity. You can find interesting details about how intestate succession works in California at: <https://www.nolo.com/legal-encyclopedia/intestate-succession-california.html>

But, here is the planning you can do now to avoid "intestate succession" laws:

- Transfer real estate you own to a Living Trust
- Name beneficiaries for Life insurance proceeds
- Name beneficiaries for IRA Funds, 401(k), or other retirement accounts
- Set up *transfer-on-death* for Securities accounts
- Set up *payable-on-death* for bank accounts
- Set up *transfer-on-death* for Vehicle registration
- Set up *joint tenancy* for Property you own with someone else, or set up as *community property* with the right of survivorship.

Making a comprehensive estate plan that takes into consideration all of the above is a very good idea. Contact a local Estate Planning attorney to help you get the best results.

It was thrilling on Sunday evening, June 30 to have the first wave of over 700 of our Ananda spiritual family arrive and come flowing into the newly-completed Temple of Light. The entire week of celebrations was one of the most inspiring events we have ever had at Ananda Village.
