Ananda Janaka Foundation 2019

Supporting Ananda Worldwide

In 2019 Ananda Janaka Grants were given to the following areas of Ananda Worldwide:

Ananda 50th Anniversary Celebration – 1969–2019

"Simple living and high thinking lead to the greatest happiness."

— Paramhansa Yogananda

This Anniversary Celebration was one of the most amazing events in the history of Ananda! Over 700 to 900 of our Ananda spiritual family gathered at Ananda Village from all over the world during this weeklong celebration.

Temple of Light Completion, 2019!

"Expressing our ideals in architecture."

The \$100,000 Ananda Janaka 2019 Grant helped in completing the Temple of Light in 2019 in time for the 50th Anniversary Celebration week. This Grant was instrumental in finishing the Temple in the final stages of both construction and of interior finish work.

Ananda Rhode Island Center

The Ananda Rhode Island members now have a beautiful Ananda center for devotees in their area and beyond, which they have been developing over the last several years. The Ananda Janaka Grant in 2019 enabled them to finish some projects on the building making it an uplifting place for devotees to gather for classes, events, and services, as well as social time together.
